Kit Specifications

- Available for 2-8x6-8 and 3-0x6-8 VistaGrande Doors
- Black, White and Woodgrain profiles
- 3-1/2" or 1-1/8" wide
- For customization, black and white grilles have the option to be painted to match any of our 32 standard paint colors or left without paintings
- Woodgrain profiles can be stained or painted.

SDL kits are attached with 3M™ VHB™ Tape (standard) for superior adhesion. Aluminum substrate provides minimal expansion and contraction.
