Door Assembler – Residential Exterior

Heritage Millwork is looking for an experienced, dependable, detail-oriented individual to join our team as a Bench Door Assembler. In this hands-on role, you'll build residential exterior door units using a variety of tools. This position requires accuracy, a strong work ethic, and the ability to work independently.

What You'll Do:

- Assemble exterior door units for residential homes
- Use a variety of hand and power tools (drills, hammers, table saws, nail guns, screw guns, etc.)
- Measure and cut materials with precision (tolerances within 1/32")
- Follow assembly instructions and meet quality standards
- Maintain a clean and safe work environment

You may be a good fit for this job if you meet the following:

Job Requirements:

- High school diploma or equivalent
- Hands-on experience with doors, millwork, or general construction (preferred)
- Demonstrated experience with hand and power tools
- Ability to accurately use a tape measure and perform precise work

You're Someone Who Is:

- Strong in attention to detail and craftsmanship
- Comfortable using tools and working on your feet
- Able to lift up to 30-50 pounds routinely
- Demonstrate a positive attitude and willingness to learn
- Has reliable attendance
- Ability to work independently

Compensation:

- \$24-\$28/hour, based on experience and skill level

About Us:
