## INTRODUCING THE B.I.B.B. SERIES

Ferche Millwork is proud to introduce our all new B.I.B.B. (Built-In Backband) Series mouldings.

These architect-commissioned designs offer sleek profiles and a rich, streamlined appearance to provide a stylish upgrade to typical entry-level mouldings, while setting a new standard for "flat" patterns.

Ask your rep about adding this new economy package to your inventory today!
